**Hem Heath. 3.5 miles. Easy. Clockwise.  
SJ 8855 3995. ST12 9ER.**

**Follow the brown signs for World of Wedgwood or Wedgwood Museum etc.**

**We start at the car park of the World of Wedgwood in Barlaston. The management has given its consent in the expectation that a few of us will use the Dining Room café afterwards. Don't let me down. Not as dear as I expected.**

**From the car park we walk up to the sports centre and around its fishing lakes. Then cross a muddy field to Wedgwood Station and head north on the Trent and Mersey canal towpath.**

**We then walk east along Longton Road before turning south through Hem Heath Nature Reserve. We emerge from the woods straight on to the car park.**

**Four stiles.**

**Mud - Not deep but plentiful!!!!**
