

“Moneyash”
Sunday 29th April
Led By Ken Sale

Your Leader

This is a 6 mile walk starting from the free car park at Moneyash (Grid Ref SK 1497 6663).

We head north west across field paths and tracks to Flagg passing through a camp site where you can see Yurts used as holiday accommodation. In Flagg we will have a coffee break.

The route then is north over fields before turning south east along tracks to enter the head of Deep Dale where we stop for lunch.

The final leg is a mixture of tracks and field paths, which unfortunately go over stone step stiles, back to Moneyash. The pub in the village serves a good drink for the after walk rest.
