DISTANCE 3.5 miles

We start the walk from the grange country park car park. We will make our way through the country park walking past the boathouse. We then have a steady climb making our way through the woodland area before coming out on to hurst road. We will have some road walking before making our way along the path that takes us past the troughstones, and on to Biddulph park. We will go past the chapel and take a left turn leading us down through some fields and back on to hurst road. We will walk up hurst road to the quarry and then go back through the country park.
