

“Danebridge”

Sunday 28th January

Led By John Sherratt

Your Leader

Walk - 8.5 miles (reduced due to poor weather)
Start - Danebridge near the Wincle Brewery.

We follow the path which takes us along the Dane valley way and sheepfold. This path will lead us to the Gradbach area. From this point we will have a steady climb through the forest wood to Roach end. From here we make our way to Turners pool via Buxtons Brow, with some field walking. We then cross some more fields to Swythamley. From Swythamley we have some road walking which leads us to Snipe. We will then follow the Farm Lane which takes us towards Hanging Stone.

We then return to Danebridge crossing the field before making our way through the woodland area.
