

“Morridge”

Saturday 17th February

Led By Moira & John Lyne

A circular badge with a scalloped edge, containing the text "Walk No 16" in a bold, green, sans-serif font. The badge is positioned in the top right corner of the page.

**Walk
No 16**

The walk is 7.5 miles and starts from a lay-by on Mount Road.

Mount Road is off the A53 Leek to Buxton road.

Mount Road is opposite Novi Lane on the left, which is easier to spot.

The lay-by on Mount Road is near the junction with Knivedon Lane and Knivedon House.

SJ 9986 5653

There are several stiles in varying states of repair, on the recce it was quite muddy and we have to cross a muddy stream with no bridge.

It is quite a climb to Morridge then we walk along the edge for a while before descending into the valley.

Of course what goes down has to come back up and there is a long up section at the end.

We follow the route in an anti-clockwise direction.
