Your Leader

**A 6.5 mile walk
Park at Weags Bridge car park**

We will start the walk from Weags Bridge car park, and follow the route which takes us through the old caravan, camping area, and then past Beeston Tor Farm. We then join the Manifold trail, and we pass through Throwley Farm before reaching Throwley Hall. From this point we have a steady climb across the fields before reaching Rushley Bridge. The route then takes us past Castern Hall with some more field walking. The return leg of the walk takes us back through the Manifold valley, down Larkstone Lane, and then back to Weags Bridge.
