

“Alsager”

Wednesday 21st March

Led By Sandra Greaves

**Walk
No 26**

Your Leader

This walk was first led by Geoff Bradshaw in May 2017

The walk is familiar to a lot of you and has been repeated this year by popular demand.

The Wilbraham Arms Pub is where we park.

This is a nice varied walk.

Just over 4 miles

The walk starts taking the path through the woods on a footpath on the left of the pub. We then walk along to the cricket club. And up to the main Alsager Road.

Cross the road and up the path that brings us out at the station.

Cross over to Cedar Road. And cut through to Milton Park. We then cross the main road to the Mere. We will have a coffee stop there.

Back along the road, down to a path call The Rig that brings us out at Hassell road.
